What's a KartSTART Event look like?

1

Karting Basics

Discover the world of karting from the ground up! Learn about the different types of karts, their components, and the essential gear that keeps you safe and comfortable on the track. Gain insights into track rules, signals and karting etiquette.

2

Safety Briefing

Receive a comprehensive safety briefing led by experienced instructors. Learn about proper karting posture, helmet fitting and other safety protocols. Understand the importance of safety on and off the track.

3

Kart Familiarisation

You'll be introduced to the kart you'll be driving and get familiar with the karts controls, pedals, steering wheel and safety features.

4

Hands on Karting Experience

Receive personalised instruction on entering and exiting the kart safely. Learn about acceleration, braking, steering and correct kart control techniques. And then experience the thrill of driving a kart on the track for the first time. You'll get two sessions on track in a controlled and safe environment.

5

Debrief and Q&A

Ask questions and seek further help from instructors. Receive feedback and tips on how to improve your karting skills.

6

Conclusion and Farewell

Wrap up the event with new skills and a sense of accomplishment. Receive a certificate of participation and say farewell to your new karting friends and the instructors
